

Dr. Amber Filiatrault, C.Psych.

Dr. Filiatrault is a registered clinical psychologist with the College of Psychologists of Ontario and is a member of the Ontario Psychological Association. Dr. Filiatrault has conducted research and provided assessment services at the Hospital for Sick Children, working primarily with children and adolescents with ADHD and other behavioural and learning problems. She has gained considerable experience at Kinark Child and Family Services and Hamilton Child and Adolescents Services, providing assessment, treatment and consultation. Along with her part-time private practice, Dr. Filiatrault is currently on staff at Brampton Civic Hospital's Child and Adolescent Mental Health Inpatient and Day Treatment programs, providing assessment and therapeutic intervention.

ASSESSMENT AND TREATMENT

Dr. Filiatrault has considerable experience working with children, adolescents and parents and works primarily from cognitive-behavioural, client-centred and psychodynamic theoretical orientations.

Treatment and assessment services offered for:

- Anxiety and fears
- Depression
- Anger and behavioural concerns
- Parenting and parent-child relationships
- Learning and school problems
- Stress management and relaxation
- Self-esteem and assertiveness
- ADHD

REFERRALS

Referrals are accepted from individual clients (self-referral) as well as physicians, insurers, allied health care professionals (e.g., social workers, chiropractors), school personnel and others. To make a referral, please call: **416-301-9784.**

COSTS

All fees for assessment, therapy and consultation services are based on the recommended guidelines of the Ontario Psychological Association (OPA).

Psychological services are not currently covered by OHIP. However, many insurance plans and benefits packages by employers provide some coverage.
